

SUSTAINABLE DEVELOPMENT

CORPORATE POLICY

Société de transport de Montréal (STM) contributes to sustainable development and is committed to mobilizing its employees, clients and suppliers to make sustainable development a reality.

As a partner in the strategic plan for sustainable development for the Montréal community (Plan stratégique de développement durable de la collectivité montréalaise), prepared by Ville de Montréal, STM is committed to:

- Sustaining its efforts toward offering public transit services that are reliable, safe, fast and accessible to all people;
- Creating and supporting a movement for sustainable mobility for the purpose of fighting climate change, improving the competitiveness of the agglomeration of Montréal, as well as the quality of life of residents;
- Ensuring continuous improvements to its social, economic and environmental performance regarding:
 - The treatment of employees and clients;
 - The operation of its transit networks and installations;
 - The planning, designing and realization of its projects;
 - The procurement process;
 - The state of its relations with stakeholders* concerned by its activities.
- Informing and mobilizing its employees, clients and suppliers in the application of sustainable development principles;
- Working in cooperation with other sustainable development stakeholders at the local, regional, national and international levels;
- Complying with, even surpassing whenever possible, its commitments and the requirements of any applicable laws.

For Société de transport de Montréal, sustainable development is based on a continuous improvement process, including a management review, as well as annual internal and external reporting.

¹ Stakeholders: Group or individual having a more or less direct interest in the business of a corporation or likely being affected by decisions taken by said corporation. Such a definition includes not only its partners, but also those who, without being partners, can influence STM activities.
